

Now Enrolling: Child Care for Working Families Offered in Your Community

Early Learning Ventures Early Head Start is providing a full-day, full-year program for low-income children to have the healthy and enriching early experiences they need to realize their full potential.

All eligible children and families will receive:

- * little to no cost quality licensed child care
- * trained professional instructional staff
- * small group sizes to support individualized learning
- * family support and opportunities to be involved
- * services that promote healthy kids through nutrition, development, mental and dental health
- * research-based curriculum
